ΟΑΑ!

ΟΑΑ!

In 1917, a handful of Greek immigrants formed what is today one of the largest Greek Orthodox communities in the United States. The vision, foresight and dedication of those few faithful immigrants laid the groundwork for what exists today. From its original location in downtown Houston (what is now Tranquility Park) to the sprawling grounds that border Yoakum Boulevard, Annunciation Greek Orthodox Cathedral has become a major force in the religious and social communities that comprise Houston today. Proceeds from the Original Greek Festival have helped many people through donations to various charitable organizations, such as Annunciation Orthodox School (AOS Grant Program), ASPIRE, Bridges to Life, Camp HOPE, Casa de Esperanza, Children's Assessment Center Foundation, Covenant House, EAC (Emergency Aid Coalition), Houston Orthodox Clergy Association, Harris County Constable Precinct 1 Reserve Command, Harris County Sheriff's Office Reserve Command, Parents of Murdered Children Houston Chapter, School for Young Children, Shield Bearer Counseling Center, SEARCH (Service of the Emergency and Resource Center for the Homeless), Star of Hope, The Beacon, Trinity Foster Care and WAMM (Westheimer / W. Alabama / Montrose / Mulberry Civic Association).

We thank you for your patronage.

Dance Program

The films "Never on Sunday" and "Zorba the Greek" introduced Greek dance to moviegoers around the world. Dance remains a living, vital force in the Greek way of life, and its spirit brings people together with a true feeling of camaraderie. It's a fundamental aspect of Greek religious festivities, national holidays, and family celebrations including weddings and baptisms - events that center on the Church life of Orthodox parishioners.

Our evening dance program showcases the three main types of Greek dances with the added flair Houston has come to know and love. Each dance reflects the culture, customs and traditional costumes of its particular region. A dance is either from the islands (nessiotika); the mainland (demotika); or popular (laika), meaning it is danced throughout Greece. Our Children's dance program presents our youngest members in their traditional costumes performing dances from all around Greece.

Our dancers spend months leading up to the Festival preparing for our show, which allows our young adults to not only showcase their love and respect for their rich heritage and faith, but also the chance to share that excitement and love of dance with our local community who have become our biggest fans throughout the years. We hope you enjoy the show! OPA Houston!
